>> Dental, Imaging and Ophthalmology

The company imports branded and generic Dental, Imaging and Ophthalmology products from renowned manufacturers/distributors from Europe, USA, Asia, South America and South Africa for wholesale and retail trade in Zambia and neighbouring countries (DRC, Malawi and Zimbabwe).

In Zambia, we are supplying to almost all government and private institutions.

>> Service and Repairs

Our Service and repair department supply, install, repair and offer back up services for equipment that we supply. Our focus is on dental and ophthalmology equipment and other equipment supplied and installed by Kano.

>> 4 - 6 months product projection

To improve on your daily optimal continuous operation, we always offer the best steady supply for both medical products and service parts.

Benefits

1. Reduced lead time and therefore reduced stock outs.
2. Free Servicing of Dental Equipment during the period of the projection T&Cs.
3. Fixed prices of dental products for the duration of the agreement.
